Circular Letter No. 102.

April 19, 1910.

To Supervising Principals:--

Please let the fact be known throughout the district that the law included in paragraphs 68 to 71 of the edition of school laws for 1907, relative to examinations in English for Porto Rican teachers, will be fully enforced, and that all teachers must pass the examination set, before being approved for work for the school year 1910-11.

The only exceptions will be teachers who have been excused from the examination because of having passed, with grades of 75 or over, the examination in English at the summer sessions of 1909, and principal teachers who have passed an examination in English for their principal's license.

Yours very truly,

EDWIN G. DEXTER
Commissioner of Education
